About us

This event is organised by Newark and Nottinghamshire Agricultural Society (NNAS) – a registered charity dedicated to promote, celebrate and champion agriculture across the Midlands region.

We are one of the largest Midlands based agricultural machinery shows in the UK offering a platform for agricultural businesses to showcase a diverse range of new products, services, machinery, industry innovations and the latest technology to those who work in or have an interest in agriculture. The Midlands Machinery Show is ideally located to attract thousands of relevant customers and is a growing show that we welcome you to be a part of this year.

Why exhibit at the Midlands Machinery Show?

Acknowledged as an excellent time of year

For farmer visitors to attend when the busy growing and harvesting season has finished and farm business planning is in progress for the next 12 months

Cost-effective and highly accessible

Situated in the heart of the Midlands and Eastern farming region with affordable accommodation near by and free parking at the show

Organised by NNAS, an agricultural charity

Which invests all funds generated from the show back into its primary objective, to promote agriculture and the agricultural industry

Recognised by the exhibitors as an event to “do” business at*

With an excellent visitor spread from farm owners, machinery operators, influencers and decision makers.
*52% of our visitors are key decision makers and 15% are key influencers

Supported by an extensive pre-marketing campaign

Encouraging all exhibitors to get involved. Exhibitor marketing kit with digital graphics, printed materials, road signs and more

Combining indoor and outdoor exhibition space

To suit exhibiting company's requirements, a range of indoor and outdoor spaces, to suit any needs or budget

Relaxed business atmosphere

Encouraging networking opportunities and knowledge transfer at a show that welcomes all within the industry

Growing social media platforms*

21% social media audience growth in 5 months across Instagram, Facebook and Twitter

Specialised agricultural machinery

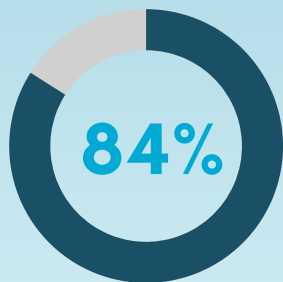

With a range of national, regional and local businesses showcasing their product ranges

Outside stand space enables visitors to get up close and personal with a full range of equipment.

Outdoor stands provide the best value per square metre and are suitable for large outdoor equipment or large product ranges that require clear space to showcase them.

There are no height restrictions, the sky is the limit and we can adapt stand sizes to suit all requirements.

Product Demonstrations

What better way to show your product off than to show it in action!

The dedicated demonstration area is a hit every year, with timetabled demonstrations each day of the show drawing crowds. Any exhibitor who books a stand gets the chance to demonstrate their product for free in this area, all you need to do is let us know in advance.

Apprenticeship Awards

The Newark & Nottinghamshire Agricultural Society's Midlands Agricultural Engineering Apprenticeship Award supports young agricultural engineering apprentices aged 17 – 25, with a bursary to assist financially with their careers.

To be eligible, apprentices must currently be working with an agricultural engineering company and attending an academic institution. This award is for Midlands residents or students employed by companies based in the Midlands, although not exclusively.

Sponsorship & Advertising

There are multiple ways you can showcase your brand to visitors before, during and after the show:

- Sponsorship of a building or building
- Advertise in the show guide or online
- Banners at entrances and exits
- Additional PR marketing opportunities

We're always happy to discuss any other opportunities if you have something specific in mind to help you achieve your goals.

Technology & Innovation Spotlight

We are looking for exhibitors to put forward their latest new products and services, innovations and technology in which to feature in our pre-show marketing highlighting the latest trends in the agricultural machinery sector.

This is a great way to share your news with our visitors and ensure you have the opportunity to maximise your presence at the show. Be sure to let us know more or tick the box on the booking form.
